PRICE LIST

General consultation (\$150)

We haven't worked closely together before so we need to learn about your career plan quickly. We assess your current challenges, review your strengths, and identify areas in your career journey where you can get the most rewarding results.

Includes psychometric test for one of the following areas:

- Career advancement profile
- Multi-dimensional intelligence
- Work integrity
- Work personality

Skills consultation (\$200)

You're a professional who needs actionable strategies to tackle specific skill gaps. We take a focused look at troublesome skill sets, assess where you are at, and lay out a plan of what you can do to improve.

Includes psychometric test for one of the following areas:

- Employee attitude & personality
- Management skills & style
- Emotional intelligence quotient
- Organization skills
- Time management

Profile consultation (\$250)

You have worked hard and established yourself in your career path, but need a little more help to grow. Through our signature psychometric tests catered to specific roles, we review your strengths and identify areas that have room for improvement to help you reach new heights.

Includes psychometric test for one of the following roles:

- Clerical aptitude
- Customer service profile
- IT aptitude personality & attitude
- Retail sales
- Sales person personality

Prices do not include taxes.

We invest in all of our candidates to make sure they are on the career path that brings them the most fulfillment.

Experience our unique human and consultative approach as we design the career plan of your dreams... together.
